

ORDINANCE NO. 32

An Ordinance granting to the American Union Telephone Company, a corporation under the laws of Pennsylvania, its successors and assigns, the right to construct, operate and maintain a telephone and telegraph system in the Borough of Clymer, Indiana County, Pennsylvania, and for that purpose, to enter upon and use the highways, streets and alleys of said Borough upon the terms and conditions herein contained.

Section 1. Be it ordained and enacted by the Burgess and the Town Council of the Borough of Clymer, Indiana County, Pennsylvania, and it is hereby ordained and enacted by the authority of the same, that the American Union Telephone Company, a corporation organized under the laws of Pennsylvania, be and is hereby authorized and empowered to enter upon and use the highways, streets and alleys of said Borough, for the purpose of erecting poles and stringing wires and cables thereon for telephone and telegraph purposes, and to maintain and operate the same from the passage of this ordinance, upon the terms and conditions hereinafter contained.

Section 2. All poles placed or maintained in or over the streets, highways and alleys of said Borough shall be located under the direction and supervision of, and the satisfaction of the Burgess, Town Council and Street Commissioner, and shall be erected, kept and maintained in conformity with all ordinances, resolutions and regulations of said Borough, regulating such matters, Council reserves the right to cause the location of any pole erected under the provision of this ordinance to be changed whenever in the opinion of said Council any change of location is necessary, and to direct that any of the poles may be used to carry necessary wires for fire alarms and police purposes, without any charge to said Borough for such use of said poles.

Section 3. All poles shall be as straight as reasonably possible, shall be shaved, painted and stenciled with the initials of the Company, and kept in a neat and orderly condition, and no cross arms for the suspension of wires or cables shall be placed thereon at less distance than twenty (20) feet above the level of the sidewalk, unless by permission from Council.

Section 4. That any ordinances or part of ordinance conflicting with the provisions of this ordinance be and the same are hereby repealed so far as the same affects this ordinance.
