

ORDINANCE NO. 33

An Ordinance granting the Clymer Light, Heat and Power Company, its successors, lessees and assigns, the right to construct, operate and maintain poles, wires, cables and fixtures, together with the necessary supports upon, over, along and under the streets, highways, foot-walks, lanes and alleys of the Borough of Clymer, Indiana County, Pennsylvania.

Be it ordained and enacted by the Council of the Borough of Clymer, County of Indiana, and State of Pennsylvania, and it is hereby ordained and enacted by the authority of the same.

Section 1. That the privilege be and is hereby granted to the Clymer Light, Heat, and Power Company, its successors, lessees and assigns, to construct, operate and maintain the necessary poles, wires, cables, conduits, and fixtures, together with the necessary supports upon, over, along and under the streets, highways, foot-walks, lanes and alleys of the said Borough as may be necessary for the purpose of constructing, operating and maintaining its lines through the said Borough and to the places of business, works, manufacturing establishments, offices and houses of subscribers within the Borough limits and adjacent thereto, subject to the conditions and regulations hereinafter contained.

Section 2. That the said Clymer Light, Heat and Power Company shall replace the streets, highways, foot-walks, lanes and alleys of said Borough upon which it may place any of its poles, conduits, lines or fixtures as aforesaid, in as good a condition as they were before said poles and fixtures were erected thereon, and further, that all poles and fixtures as aforesaid shall be placed wherever practicable on alleys, and the location of said poles and conduits shall be made under the direction and supervision of the Street Committee of the Council of the Borough aforesaid.

Section 3. That all poles erected under the provisions of this Ordinance shall be reasonable straight, planted not less than five feet in the ground and shall be kept well painted by the said Company, and that no cross arms for the suspension of cables or wires shall be placed at less distance than twenty feet from the grade of the street, unless by permission of said Council.
